Project Journal

XP core value: communication

Week 1 (Nov. 14, 2021)

- Met at 4pm to finalize project idea
- Project is a search algorithm visualizer using the processing library.
- Assigned XP roles

XP core value analysis

Our group discussed different project ideas prior to meeting. At the meeting, everyone voiced teir opinions and communicated their thoughts clearly.

We planned on having another meeting later in the week; however one member was unable to attend. They communicated their inability to attend, and the meeting was moved by a day.

Week 2 (Nov. 18, 2021)
